FAVORITES WIN ON JUAREZ TRACK

Bookies Are Hit by the Bet-
ters at the Races on
Tuesday.

The Juarez track had not a great
deal of patronage Tuesday, but those
who did attend the races got a whack
at the bookies for a change and took
away a little coin. Barney Oldfield,
always a favorite with El Pasoans, be-
cause of his name, was heavily backed
at 6 to 5 in the third race, a mile event,
and took the candy. He took the lead
at the start and maintained a steady
pace, finishing fast, while Miss Cat-
hness contested the race with him
through the stretch.

In the first race Frazzle did the
same trick and was given a run for
the money by Denny, who finished a
game second, not far behind the leader.
Mike Mollet started with a rush in
the second event and kept it up all the
way to the wire, leading Bitter Sir,
who showed a burst of speed in the
stretch but could not make it.

Marsand galloped away from her
field in the fourth race, while Alice
George ran a fast second and Dave
Montgomery went third.

Aunt Nancy did not start as fast as
the rest of the field in the fifth race
and was outrun in the early going.
However, she came with a terrible rush
at the stretch and passed the leaders
and held the bunch safe at the finish.

Plume led the bunch and tried hard
to make a strong finish but had to give
the laurels to Nancy while Deneen fin-
ished a poor third.

The last event of the day went to Joe
Woods, who led from the barrier to the
wire, running away from Heknows on
the stretch turn.

LANG IS NO MATCH FOR SAM LANGFORD

Saves Himself a Knockout
by Getting Disquali-
fied.

London, Eng., Feb. 22.—Bill Lang,
who once held the heavyweight cham-
pionship of Australia, was no match
for Sam Langford, the American negro
pugilist, in a scheduled 20 round bout
at the Olympia last night. Langford
won in the sixth round when Lang was
disqualified. Lang was almost out
when he committed the foul.

After six fierce rounds, when Lang-
ford was down, the Australian in a
dazed sort of way, rushed at the Amer-
ican and struck him, and immediately
the referee proclaimed Langford the
winner.

The Australian with all his natural
advantages, including an extra 52
pounds in weight, was hopelessly out-
classed by the negro fighter, who
walked into him and hit him from all
angles where and when he would.

Lang was all nerves. He seemed
scared to death, and his disqualifica-
tion was the best thing that could have
happened, for he was so groggy that he
was bound to have been put out if he
had not transgressed.

The only redeeming feature of Lang's
showing was his gameness in taking
punishment. As early as the first round
Langford punched him all over the
ring.

featured the racing at the West Tampa

most serious blow of the day. The
Hatfield entry set all the pace until
coming into the stretch when he falter-
ed, falling back. Heart Pang, showing
a reversal of form, was an easy winner.

Russia Is Threatening China

The baby emperor of China, whose country is threatened by a war with Rus-
sia, and the prince regent, holding another member of the royal family.
Peking, China, Feb. 22.—Russia has notified Great Britain, France and
Germany and the state department at Washington that she will make a
military demonstration on the Russo-Chinese frontier. The extent of the
demonstration, Russia says, will depend entirely upon the attitude assumed
by China. The vital questions involved are free trade in Mongolia, the ex-
tra territorial rights of Russians in China and the establishment of a Rus-
sian consulate at Kobdo, Mongolia. China is charged with persistent viola-
tions of the St. Petersburg treaty of 1851.
